To Whom it May Concern:

This firm represents Deerfield Pines Association. The Association requested that this firm obtain a copy of the Articles of Incorporation for the Association filed on February 28, 1973.

The Division of Corporations website, Sunbiz.org, confirms that the Association was incorporated on February 28, 1973 as a Florida not for profit corporation. However, since the date of incorporation was prior to 1995, the Articles of Incorporation for the Association are not posted on the website. Further, the Articles are not recorded as an exhibit to the Declaration of Condominium for Deerfield Pines Association. However, per the Secretary of State's website, articles of incorporation that are not posted on the corporations' website are available for order and mailing upon special request.

My firm has contacted the Secretary of State's office to request a copy of the Articles of Incorporation. Unfortunately, we do not have a time frame for a response by the Secretary of State's office but will seek to expedite receipt in any manner possible.

Very truly yours,

Tamar Duffner Shendell
