**FLORIDA NON-COOPERATION WITH PREMIUM AUDIT ENDORSEMENT**

This endorsement applies because Florida is shown in Item 3.A. of the Information Page.

This endorsement adds the following provisions to Part Five—Premium, G. Audit of the policy:

We are required to complete the premium audit process no later than 90 days after policy termination. If you fail to return the final mail audit or refuse to cooperate in completing the final physical audit or final physical onsite audit, you must pay us a premium not to exceed three times the most recent estimated annual premium on this policy subject to the following conditions:

1. We make two good faith efforts to obtain the final mail audit or complete the final physical audit or final physical onsite audit.
2. We document the audit file regarding the two good faith attempts to obtain the required audit information.
3. After the two good faith attempts to obtain records or gain access to your premises or your worksites, we send a letter by certified mail to you advising you of the specific records that are required or the premises or worksites that must be accessed and the premium that will be charged if you continue to refuse access to the records, premises, and/or worksites.

If you do not provide all the specific records required and/or fail to permit access to your premises or worksites as applicable, and if we satisfy the conditions above on or before 90 days from the date of policy termination, we may continue to try and conduct the audit and/or reopen the audit for up to three years from the date of policy termination. Alternatively, we may immediately bill you a premium not to exceed three times the most recent estimated annual premium on this policy. If you provide all the specific records required and/or permit access to the premises or worksites as applicable to complete the premium audit process within the three-year period, we will determine your final premium in accordance with Part Five—Premium, E. Final Premium of the policy.

If we cannot complete the audit because you do not permit us to make a physical inspection of your operation or provide us with the necessary records, you must pay us \$500 to defray the costs of the audit. The \$500 charge may be imposed only if we have incurred actual travel expenses and we notified you in writing of the potential charge when access was denied. Denial of access to records and your premises or worksites by your agent or representative is considered the same as a denial by you.

If you understate or conceal payroll, or misrepresent or conceal employee duties to avoid proper classification for premium calculations or misrepresent or conceal information pertinent to the calculation and application of an experience rating modification factor, then you, your agent or your attorney, must pay us a penalty charge of 10 times the difference in the amount of premium that you paid and the amount that you should have paid and reasonable attorney's fees. The penalty may be enforced in the Florida circuit courts.

At the end of each quarter, you must submit to us a copy of the quarterly earnings reports you filed with the Florida Department of Revenue and any self-audits supported by the quarterly earnings

report. The report must include a sworn statement by an officer or principal of your company attesting to the accuracy of the information in it. If you have an employee who suffered a compensable injury and was not reported as having earned wages on your last quarterly earnings report, you must indemnify us for all workers compensation benefits paid to or on behalf of the employee unless you establish that the employee was hired after the filing of the quarterly report, in which case you and the employee must attest to fact that the employee was employed by you at the time of injury.
